What is the CROP Hunger Walk?

CROP Hunger Walks are community-led interfaith events that raise funds to end hunger locally AND around the world. Everyone is welcome to join!

Your participation impacts individuals and families in more than 35 countries. In many developing nations, people could walk up to six miles a day to get food and water. One in nine people worldwide lack access to clean water and a healthy diet. We walk to show solidarity and to bring awareness while raising funds for permanent change.

From its birth in 1969, CWS-sponsored CROP Hunger Walks have grown to include walkers of all ages, faiths and backgrounds in more than 500 communities throughout the U.S.

The CROP Hunger Walk is the only nationwide Walk that addresses hunger both locally and globally.

Why We Walk

**Global**
